space is somewhat overcrowded so that they have to wait in the rule in a line. [sushi](#) is really good, but it takes a little time to be prepared. a total of 8/10 would recommend. [read more](#). When the weather is nice you can also have something outside, and there is free WiFi. What [User](#) doesn't like about Tokyo City:

terrible chain of restaurants. service. no taste when eating. too expensive. too much advertising. better support small local caffeine or restaurants that try to really serve them. [read more](#). The visitors love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Tokyo City from Saint Petersburg, with its successful Asian fusion cuisine - the perfect blend of familiar meets the adventurous world of fusion cuisine, The menus are usually prepared for you **fast and fresh**. The **versatile, fine Chinese cuisine** always goes down well with visitors, on the menu there are also a lot of Asian meals.
