What [User](#) doesn't like about Mezetaryen Wine Meze:

Unfortunately there is nothing good but the fried liver called arnavut cigeri. I was so surprised that mezzes are not that tasty which they should be good at. Plates are too small, fava is made up with potatoes not done by fava beans. Artichokes were uncooked and even not chopped that we had to return, the place is overrated. They are using sophisticated terms for mezzes that people would believe in [read more](#).
