fast eating that offers very healthy options. wraps, burger or whatever it is made with organic ingredients and the combination of aromen in each dish is simply incredible. also the prizes are great. love this place [read more](#).

What [User](#) doesn't like about Green 13 Besarabsky Market:

The burgers we had were OK. Quite cold and soggy. They were tasty, just wish more attention was paid to them.

The location of the counter isn't the best in the world either, however if you do find yourself in the area we preferred Veganuti, which was right beside this counter. [read more](#). The succulent and fresh **juices** on the drinks menu supremely enhance the meals in the restaurant, Of course, you also have to try the **fine burgers**, that come with sides like fries, salads, or wedges offered. They also offer light Mediterranean meals available, The atmosphere also makes the consumption of typical *Western dishes and drinks* an beautiful experience.
