If you are looking for authentic Chinese cuisine in Lviv, this could be the only or one of the few places where you will find it. Chinese chefs actually work there. Also the service is always on a large level. And the greatest motivation to come back is the food — it's just really TASTY. Stop it. [read more](#). In nice weather you can even have something in the outdoor area. What [User](#) doesn't like about *Americano*:

If you're hungry for some **fiery South American culinary arts**, this is the place to be: exquisite meals, roasted with fish, seafood delicacies, and meat, but also **corn, beans, and potatoes** are in the menu, The successful fusion of different dishes with fresh and occasionally daring ingredients is highly valued by the guests - a good example of Asian Fusion. Look forward to the enjoyment of scrumptious [vegetarian](#) menus, and you can enjoy here fine American meals like Burger or Barbecue.
