Here you can find the menu of Brigantina in Sochi. At the moment, there are 15 dishes and drinks on the menu.

You can inquire about **changing offers** via phone. What [User](#) likes about Brigantina:

I like eating and service, especially when compared with other restaurants in the city that are just terrible. the lookout is great, actually one of the best they can get in this city. also the recipeist has tried to book a table near the sea for us in the last minute. delicious tea and cake. [read more](#). What [Лев Блинов](#) doesn't like about

Brigantina:

Restaurant is at the very sea front, so expect some great views of the port when sitting outside. Food was okay every single [pizza](#) had olives in the recipe for some strange reason (yes, even the margherita). Spaghetti bolognaise had a bit too much tomato sauce for my taste, but the pasta itself was high quality. Not great value for money, but there's not many other restaurants in the area. [read more](#). At Brigantina in Sochi, **delicious pizza** is baked fresh using a time-honored method, and you can look forward to the tasty typical [seafood](#) cuisine. Of course, we must not forget the large selection of [coffee and tea specialties](#) in this restaurant.
