[User](#) likes about Bonsai:

I always like this place, but today is a moment of hate. 1) 2.5 songs with an Asian motiw begin to ripen them when they sit long. the repertoire can also be increased. 2) I ordered carbanar and had not expected to see an alien sauce where they must have a giraffe neck to reach the content. 3) small choice of my dear design beer.

With a large selection of freshly harvested vegetables, fish and meat, the Bonsai from Severodvinsk prepares **easy-to-digest, delicious Japanese menus**, and you can look forward to the delicious classic [seafood](#) cuisine. You have the option to, after the meal (or during it), still relax at the bar with an **alcoholic or non-alcoholic drink**, Typically, the menus are prepared for you in a short time and fresh.
