The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and be served. Just eating and drinking is too ordinary for you? Then a visit to this sports bar is just right: in addition to large and small snacks and menus you can watch the latest football matches, tennis or Formula 1, the place provides however also meals typical for Europe. After the meal (or during it), you can also relax at the bar with a **alcoholic or non-alcoholic drink**.
