big place to visit when they are in murmansk and want to book some meat dishes especially for the northern regions (the, moose, capercaillie, etc. better before we visited, but we could get two tables in the evening while there were not too many people there. authentic design, good service and delicious food. [read more](#). The restaurant also offers the possibility to sit outside and eat in beautiful weather, and there is no-charge WLAN.

What [Максим Коновалов](#) doesn't like about Gray Goose:

Restaurant from the early 2000s It's dark inside, not a single window. The interior is appropriate. For food hedgehogs are good, tomatoes with stracciatella and crab are a tasteless mess, in suguday they took pity on onions and put singed bread next to them. The bread itself is delicious, but you don't need to smell it... You can't singe the bread with a burner it starts to smell like burnt flesh. Although the bread... [read more](#). Gray Goose from

Мурманск Россия delivers fine, light digestible Mediterranean cuisine with its typical menus, and *easily digestible Japanese dishes* are being made with lots of freshly harvested vegetables, fish and meat. There are also exquisite dishes typical for Europe, The menus are usually prepared for you **in a short time and fresh**.
