my first choice if I want to get vegan sushi. they have a dedicated section on the menu with 17 choices for vegans. some are simple choices, such as early roll, but some are creative vegan sushi creations that happen to be delicious. the prices for rolling are 8€, such a bit cheaper as normal rolling. my favorites are the chic heap and favacado read more. The restaurant also offers the possibility to sit outside and eat and drink in nice weather. Sushi La from Nicosia is a good option for a bar if you want to have a beer after work and hang out with friends, Particularly the inventive fusions of different ingredients offer the customers a remarkable taste experience of this extraordinary **fusion cuisine**. No matter the occasion - a ceremony - the in-house catering makes it easy to enjoy the food from Sushi La at home, and a lot of fresh vegetables, fish and meat are used to prepare **healthy Japanese meals**.
