doesn't like about Siran:

[Pizza](#), baccalaine, salad tyrant. The pasta with seafood is rude, but not good. Russian and English do not say, service slowly and negligible food: 4 Service: 2 Atmosphere: 3 [read more](#). The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physiological limitations, Depending on the weather, you can also sit outside and be served. Siran from Acre serves fine, good Mediterranean cuisine with its typical dishes, The guests of the restaurant also appreciate the large selection of various **coffee and tea specialities** that the establishment has to offer. For those who are not yet convinced, to persuade themselves to visit the Siran, the smell of fresh flatbread or the delicious, sticky sweetness that fresh baklava promises might help - the *Middle East* is definitely closer than one imagines.
