The place also offers the possibility to sit outside and be served in pleasant weather, and there is no-charge WLAN. What [Влад Дмитрук](#) doesn't like about Pizzeria Daniel:

Pizzeria Daniel from Kolomyya is a good option for a bar if you want to have a *drink after work* and hang out with friends, Don't miss the chance to enjoy the delicious [pizza](#), prepared straight out from the oven in an original way. The delightful Sushi such as Maki and Te-Maki however, is the undisputed highlight of this restaurant, The fine **sandwiches**, healthy salads and other snacks can be planned well as a snack.
