doesn't like about Delizia:

Honestly, quality versus price value is too low for a better rank. No lasagnas in this Italian restaurant. Local ingredients. Watery pasta. I guess they should review their prices. [read more](#). Crispy [pizza](#) is baked hot from the oven at Delizia in Lviv using a traditional method, and you can expect original **Italian cuisine** with classics like [pizza](#) and pasta. You can also look forward to scrumptious vegetarian cuisine, In addition, the **charming desserts** of the local shine not only on children's plates or in the eyes of the little guests.
