What [User](#) likes about Vege Vegan: I went there on Saturday and they said that they usually don't let them sit during this time, but they'll take a break for me. I have a suppe, salat and a kartoffelmusaka. all for 590 dinars, so I think this is a good money. there was an alternative for the musaka, but that was it with regard to options. I would give this a 5 stars if there was more choice. eating is health-oriented. [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather. What [User](#) doesn't like about Vege Vegan: we came to eat lunch. the place have only burger to offers and beans soup. the crockets are not vegan. the waitress didnt know english and didnt had the patence to figur the menu with us. we ordered what we found from translation but it was not vegan . and in the end we got lucky, there was a woman who spoke english that just came in and we asked her about the menu. the menu that is on the wall is much more expensiv...
