for us it was the best eating in saranda! I was here several times. order them next to the courts, they are all ingenious. they can only come for a coffee or drink. the lookout is perfect and the personal is best to satisfy their desires. prices are not expensive. the beer is drawn. the restaurant is a jewel on the beach. first stop on the day we come back to vacation. Food definitely not good. [Seafood](#) pasta with frozen [seafood](#) instead of fresh as in most other restaurants we have tried in Albania. Mussels were also poor quality compared too the other 3 or 4 times I have eaten in the past week. Not recommended unless you need food past midnight. [read more](#).
