What [User](#) likes about Metropoli:

The food is really great and the service is good. We loved that place so much that we came back every time during our stay in Borjomi. The decoration is quite old-fashioned but the food is delicious! [read more](#). The restaurant offers complimentary WiFi for its customers, Depending on the weather, you can also sit outside and eat and drink. The premises on site are accessible, and therefore no problem for clientele with wheelchairs or physical disabilities. What [User](#) doesn't like about Metropoli:

Service ed is good. Waiters don't speak English bit they give their best to help. It's place built in Soviet time, architecture style. Place is huge, big tables. Inside is clean, no free Wi-Fi, however, it should not be problem for Georgia. Located close to Borjomi park. Food is cheaper than I'm other places but quality is not that good. I would say just acceptable taste [read more](#). The Metropoli from Tskhinvali offers **courses** that are typical for the entire continent of Europe.
