What [User](#) likes about Can Oba: this is a fine dining room with reusable price for all. there is an idealistic opinion behind the place I think, because you can not eat like this teller in istanbul with this price. highly recommended! [read more](#). What [User](#) doesn't like about Can Oba:

I don't really agree with the current tripadvisor rating, but, its not that bad of an issue. The restaurant served decent food at decent prices, something that is lacking in most of the place I went to. Maybe the fact that I'm Middle Eastern and as a result the food isn't new to me contributed to my opinion as well. Anyway, I enjoyed the way the staff talked to each other while it was there, adding Bey and Khanum whe... [read more](#).
