What [User](#) likes about Kajahu:

The place worth a visit! Tasted kitchen, remote self-service! Live DJ, who turns cozy music. The atmosphere is great! Nice job! It would be great if you made vegetarian burgers! [read more](#). What [User](#) doesn't like about

Kajahu:

Very modern, I could say that is more modern than it should be. You order your food by a screen on the table, in every seat. Until now it seems amazing, but every human contact here were bad. First, it was 22:56 the waitress came to our table not even a little lovely, saying that the kitchen was closing and that we should click in order now. Next they brought our food, they seems like they doesn 't wanted to. Each pl... [read more](#). At Kajahu in
