Great selection of amazing deserts! They also have baked and warm dishes, everything looks clean and aesthetic. Beautiful atmosphere, very friendly staff, we will definitely come back [read more](#). When the weather is good you can also be served outside. What [User](#) doesn't like about V-goza:

It's a new place in town and it has a great potential as it is completely vegan and offers good food. However, some things must be fixed to make V-Goza a great place; first of all, the service- there were not many people when we came in and yet no one greeted us or offered any help. No one followed COVID regulations, which I find rather disturbing. The prices could be lower. There was not much fresh food on display an... [read more](#). For breakfast, you can enjoy a *appetizing brunch* at V-goza, freely at your own will, Furthermore, the visitors love the creative combination of different meals with new and partially experimental ingredients - a good example of successful **Asian Fusion**. If you'd like something after-dinner treat for dessert, V-goza does not disappoint with its extensive selection of deserts, the place provides however also **meals typical for Europe**.
