3 night stay August 2022 after many disappointing coastal hotel rooms that are usually stiflingly hot and crammed, walking into the breezy fresh, light harbour view room was a delight! Recently renovated, so modern bathrooms with lots of hot water and no leaks! And as our room was ready early, we were allowed to check in early and have a delicious lunch watching the harbour. Lovely garden at the back of the hotel for residents only a perfect spot to relax under the apple trees and sip wine. Friendly, helpful staff, good food, comfortable rooms, car park across the way... It's great!. When the weather conditions is nice you can also eat outside. What [Alan Dyer](#) doesn't like about The Porlock Weir:
