(Google tərəfindən tərcümə edilib) Geniş menyü, bəlkə də çox seçim. Yeməklər layiqli idi, ətli şah plov daha çox ət istifadə edə bilərdi, şəkildə göründüyü kimi cəmi 3 kiçik dilim var idi. Salatın dadlı sousu var idi. Təqdimat gözəl idi. Ümumiyyətlə, yerləşdiyi yerə görə bir az bahadır. (Orijinal) Extensive menu, maybe too much selection. Food was decent, Shah Plov with meat could have used more meat, there were only 3 small chunks as can be seen on the picture. Salad had a delicious sauce. Presentation was nice. Overall a little expensive for what it was due to the location. At Sahil Bar Restaurant in Baki Azərbaycan, **tasty, juicy, delicious barbecue is freshly roasted** on an open flame and served with delicious sides, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. You can also look forward to *tasty vegetarian cuisine*. In addition, the latest games or races can be watched on the big TV in this sports bar, which the guests also love.
