Here you can find the menu of Dogs Like Ducks in Lviv. At the moment, there are **17** meals and drinks on the card. You can inquire about *seasonal or weekly deals* via phone. What [User](#) likes about Dogs Like Ducks: hot dogs are not my favorite food, but I often find this place for the atmosphere. I love the concept of this place (name in the menu the very friendly staff and the low prices. that eat less so, but they can turn a blind eye, because others would make this place a visit worth a visit! [read more](#). What [User](#) doesn't like about Dogs Like Ducks:

Combinations didn't work together and seem random. Slow service, it took like 25 minutes for 2 small hot dogs, even when they didn't have any orders before us. We had to go and eat somewhere else afterwards, because we were still starving. [read more](#). A visit to Dogs Like Ducks becomes even more rewarding due to the extensive variety of **coffee and tea specialties**, Besides, the creative blend of different menus with new and sometimes adventurous ingredients is appreciated by the visitors - a good case of Asian Fusion. Furthermore, you'll find tasty American menus, like for instance burgers and grilled meat on the menu, the extremely unique fusion of an assortment of components guarantees visitors an unforgettable taste experience of this expertly prepared fusion cuisine.
