Staff was so nice!!!! they had vegan cheese and gluten-free pasta! everything tasted incredibly good. I got vegan pasta with tomato sauce and some vegetables and olives that originally did not on the menu. delicious! my friend got vegan pizza, which also looked great [read more](#). In pleasant weather you can even be served in the outdoor area. What [User](#) doesn't like about Via Sacra:

There are not many possibilities here, but the secret is to order a pizza without cheese and a Macedonian salad. Then take the roasted paprika, onions and tomatoes from the salad and turn them into beats. Viola! [read more](#). In Via Sacra in Ohrid, they prepare crispy [pizza](#) using a traditional method, served **straight out of the oven**, and you can look forward to traditional *Italian cuisine* with classics like pizza and pasta. Look forward to the enjoyment of **delicious vegetarian meals**, One can also find some [international dishes](#) to choose from on the menu.
