What [User](#) likes about Thiasos:

What a great little find in old Kalamata. Cost me and my wife 23 euros to eat such an amazing meal. The mushrooms and paprika were amazing along with the fish and chicken. [read more](#). In nice weather you can even eat in the outdoor area, And into the accessible rooms also come visitors with wheelchairs or physiological

limitations. What [User](#) doesn't like about Thiasos:

another place in Greece that could have vegan options if they have luck, but they need to be very specific about the ingredients they do not eat. we had luck and got various entrees, like filled zucchini flowers, hot paprika and some dives with brot. the food was good, though too oily, but since it is very difficult to find vegan options in kalamata, they can pass here once.
