1/4 of their pizzas on the menu are vegan, which is quite incredible. they also offer a "pizza" with a vegan chocolate as dessert (nutelita.) I got the vegan arugula [pizza](#) and it was full of fresh vegetables and the teig was great. they deliver through the ehrana app, and not only near, but also some places within a 20-25 minute drive distance. the prices are also very reasonable. I also tried the vegan capricciosa, which was very delicious and the teig was very good. updated by previous review on 2021-04-18 updated by previous review on 2021-04-18 updated by previous review on 2021-05-24 updated by previous review on 2021-05-24.
