What [User](#) likes about Maya Labrca:

highly recommended! we drove from platishis to cobarid for benzin, but it was already lunchtime and most restaurants in cobarid were either closed or completely reserved. my man is random maya see more [read more](#). In pleasant weather you can even eat and drink in the outdoor area, And into the accessible spaces also come customers with wheelchairs or physiological limitations. WiFi is available for free. What [User](#) doesn't like about

Maya Labrca:

Worst behaviour possible from the service. We had a rafting trip family of three persons for 165 Euro and the waitress of the restaurant of the same enterprise told us we are not welcome and forced us to leave the place. Service: Dine in Meal type: Dinner [read more](#). For those who want to have a drink after work and hang out with friends, Maya Labrca from [Tolmin](#) is a good bar, The meat is freshly *prepared* here on an open flame. If you have little appetite, you can treat yourself to one of the fine **sandwiches**, a healthy salad or another snack.
