[User](#) likes about Roots:

there were many vegan options available. I ordered gyros. it tasted delicious. Remember that the way they serve it in the form of a plate, next to two small pita brote. the place was warm and cozy. a little on the pricy page, as I had gyros at other places in thessaloniki for a much cheaper price. updated by previous review on 2022-11-07

[read more](#). When the weather conditions is pleasant you can also have something outside, And into the accessible rooms also come customers with wheelchairs or physiological limitations. What [3Cristiano P \(3 1 year](#)

[ago on Google](#) doesn't like about Roots:

Service is good. The location is in a tiny street with old buildings around. We ordered vegan gyros and it was too oily and too salty. I couldn't finish my meal. Fries would be nice if they were in the airfryer to balance all the oil from the soy meat. Sauce was pure fat. It seemed coconut oil with spices and herbs. They have more dishes, which perhaps are more nutritious. [read more](#). At Roots in Thessaloniki, there are **tasty Greek meals** like Gyros, Souvlaki and Seafood, accompanied with sides like rice, salad with feta cheese, Pita bread and Tzatziki

provided, there are also delicious [vegetarian](#) recipes on the menu. With fresh fish, meat, as well as corn and rice, here they also *South American* grill, The atmosphere also makes the tasting of typical Western dishes and drinks an beautiful experience.
